PROFESSIONAL SUMMARY

I am a Desktop Support Technician with over 3 years of experience administering and supporting IT systems. I am currently employed at AMD through ObjectWin, providing reliable, user-focused support while maintaining a 99% satisfaction score. I have led high-impact initiatives such as migrating 300+ devices to Windows 11 under tight deadlines and supporting 350+ new hires within a single month. I am especially strong at working with non-technical users and calmly de-escalating challenging situations.

TECHNICAL SKILLS

Identity & Access Management: Active Directory, Microsoft Entra ID

Microsoft 365 & SaaS Platforms: Microsoft 365, Exchange Online, Teams, OneDrive, Sharepoint

Endpoint & Device Management: SCCM, Microsoft Intune, Windows Autopilot, MDT

Operating Systems: Windows, macOS, Android

Other Skills: Jira, ServiceNow, Powershell, Networking, Technical Documentation, Conference Rooms

EXPERIENCE
